

MATERIAL DONATION GUIDE

SCRAP is a nonprofit organization, therefore your donations are tax-deductible. SCRAP will pick up contributions of six boxes or more by appointment at no charge. After discards are received, SCRAP sorts and displays the materials. For a small donation, nonprofits can receive items by selecting them on site. Anyone can contribute by donating clean, reusable materials that might otherwise be tossed. **For more information, please call (415) 647-1746**
